

Part 7

Joining and Border 1

With the colour of your choice, join your motifs with a whip stitch, wrong facing each other. I used clips to hold my motifs in place as I whip stitched them together. See pic below for placement.

Join yarn A to the top right corner right side facing.

Round 1: Ch1, dc across the top (132 sts) to the last st, (2dc, ch2, 2dc) this is your first corner. Now dc evenly down the edge 1dc in each dc row to the last row (134 sts), (2dc, ch2, 2dc) in last row, this is your second corner. Dc along the bottom 131 sts) to the last st, (2dc, ch2, 2dc) this is your third corner. Now dc evenly up the last edge 1dc in each dc row to first st (134 sts) then (2dc, ch2, 1dc) in the same stitch as the first, this is your last corner.
