We're hunting Easter eggs! Where do we keep the eggs? Let's start there...

There's a place in your kitchen that's very chilly! It's full of yummy food, and maybe a clue too...

You eat this breakfast food with milk in a bowl. What do you think could be hiding inside the box?

This clever little machine can heat up your lunch in no time at all! Let's hope it didn't cook your next clue...

There's something with four legs that lives in your kitchen (or dining room!) What could be hiding underneath?

This machine loves to eat the food off your dirty plates! Do you think it likes to eat clues too?

This bubbly machine spins round and round... what do you think it could be washing today?

This machine makes your wet clothes dry... Find the next clue quick before it shrinks!

If spring makes you sneeze, you might want one of these... What's that in the box?

It's important to tidy your toys away when you're not playing with them. Maybe something else got tidied away too?

Don't be scared - there are no monsters here! Take a look if you dare, under the place where you sleep...

You might need to look up high for this place where books are kept...

Drawers full of clean clothes can make an excellent hiding place, if you're small enough...

These open in the morning and close at night. Take a peek behind, you might like what you find...

Press a button and everything lights up! What do you think is trying to hide in the dark?

Make sure you wash your hands before eating all your Easter chocolate, but don't wash away your next clue!

There's a bubbly tub in your bathroom that makes you squeaky clean. Who's having a splash in there today?

There's something green that lives in a pot and loves sunlight! Maybe it's got something to share with you?

It's not time to sit down yet! There's a comfy place to sit in your living room, but today there is something hiding behind it...

These are soft and squishy and make your chairs really comfy. Wait, there's something lumpy underneath!

The family loves to gather round and watch a good film. If you watch closely, you might spy a clue...

This lies on your floor to make the place look pretty. What do you think got swept underneath by mistake?

Tick tock tick tock... can you see what time it is? (It's time for your next clue!)

One step, two step... how many steps do you need to climb until you can see your next clue?

Open the door and you may find boxes, brooms, mops or hoovers. If you look close enough, you might find something else...

When it's time to leave the house, you will want to lock this up behind you. Hurry, before the next clue escapes!

You step on this nearly everyday when you got outside! Be careful today... Check underneath before something goes crack!

You would usually put these on your feet, but if have a closer look today, you might be in for a surprise...

What's the weather like today? You might want to put this on if it's chilly. Make sure you check your pocket!

This goes up when it rains (don't open it inside!) When it's sunny, it's the perfect place for something small to hide...
